To Whom It May Concern:

We are pleased to write this letter of reference on behalf of Aaron Ulinder of CBRE Limited.

The Federative Republic of Brazil, represented by the Consulate of Brazil in Vancouver has relied heavily on the professionalism; depth of knowledge and resources provided by Aaron Ulinder. When challenged with a unique and complicated requirement to move a consulate office, Aaron's relevant experience within our peer group has been invaluable. As is his ability to negotiate market leading financial terms and exceedingly favorable deal structure facilitating a commercial real estate transaction for Brasilia.

We are pleased to continue our business relationship with Aaron R. Ulinder and strongly recommend Mr. Ulinder when faced with a lease extension or relocation in the City of Vancouver.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Roberto Furtado', written over a horizontal line.
